Working with Children Check

We greatly value our parent and community volunteers who assist with classroom activities, fundraising events and transporting children to sports carnivals etc.

To ensure a safe environment for the children we require our volunteers to apply for a Working with Children Check and present the school with their clearance number.

A Working with Children Check is a prerequisite for anyone in paid or voluntary child-related work in NSW.

Previously, school volunteers were required to complete multiple forms and present 100 points identification to the school. This process has now been simplified.

Fill in an online application form, at www.kidsguardian.nsw.gov.au/check

When you have completed the application form, you will receive an Application number (APP) by email.

Take this application number and proof of identity (drivers licence) to the NSW Motor registry. If you are helping at school on a volunteer basis there is no fee to pay.

Once approved you will receive a Working with Children Check number (WWC) by email or post.

Please present this certificate (WWC) to the school for registration with the NSW Education Department.
