### STEM Challenge Day

Our Years 3 to 6 students participated in the district STEM (Science, Technology, Engineering, Maths) Challenge day last week. Staff from King-cliff High School came to Fingal to run the activities with Mr Clarke.

**Congratulations to our STEM Teams!** One of the challenges on the day was to build a tower from raw spaghetti and marshmallows.

Charli, Jaidyn, Cai and Janggalay's tower was the tallest on the day measuring 78cm. Their tall tower was the leading in the district challenge at the time. We will keep you informed of their district placing.

The teams also participated in online Quizzes and various other challenges building up their point scores over the day. A report will be included in next week's Newsletter.

### Daniel Morcombe Fundraiser

The Daniel Morcombe Foundation endeavours to raise awareness of child safety, protection and harm prevention. It is about educating children through child safety and protection initiatives and helping empower children to 'Recognise, React and Report' if they are feeling something is not right.

Last Friday, the children wore red to honour the memory of Daniel and could order a Sausage Sizzle Lunch to raise funds for the Daniel Morcombe Foundation. \$64 was raised for this worthy cause.
